

Higashi Junior High School

Hello! Welcome to Higashi Junior High School !!

Our school is in Shiga, Japan.

My school is 78 years old.

☆ School Life ☆

There are many fun classes at our school.

For example, there are tea ceremonies, cultural festivals, and sports festivals.

In particular, tea ceremony is only taught about once a semester.

But it's a very relaxing and wonderful event!

We cherish each and every experience.
