## School Introduction

Hello! Welcome to Higashi Junior High School!

## About our school

There are 176 students and twenty-seven teachers  
in our school

The students are working hard in class.

## Morning routine

Every morning, we do Ritsuyo Time, which raises  
the bones of the hips and straightens the spine.

## A school event

In our school, we have a ceremony called "Risshi-  
shiki" in the second year. It is an event where we  
declare our future dreams and resolutions to  
prepare ourselves for becoming adults.
